LETTER FROM MS. EMILY

We hope you all had a wonderful Christmas with family and a relaxing break. January feels really special to me. We are all slipping back into our familiar routines but with a new energy! The new year brings some fun activities and a busy schedule, but we are ready! We will continue focusing on the fruit of the spirit (goodness, love and gentleness) and have some fun themes planned. I think our garden teacher, Mrs. Sam is most excited about the new seasons!

One new thing I want you to especially be aware of is our new parenting courses. I am really excited about Mrs. Nanette coming to our school. She does these "Heart Based Parenting" courses for many of the large Christian schools in our area and I think it will be a very valuable time. If you are coming, please e-mail me (emily@another.org)

We are also planning for next year (can you believe it!?). We hope you all plan on joining us. We are constantly thinking and working on how we can make our school helpful to you and your family.

-Ms. Emily

TEACHER/ASSISTANT OF THE MONTH

Our School Support Committee helps us celebrate one teacher and one assistant each month by providing lunch.

Mrs. Analý joined Another this year and has added so much to our team. Her classroom is a magical space where learning is not only encouraged but celebrated with a little bit of glitter and joy. We love how she goes above and beyond for her Pre-K students.

Mrs. Patricia is an encourager and huge support to all the teachers but especially our littlest ones. Patricia doesn't need to be asked to help because she has already jumped in and helped teachers prepare. Another wouldn't run as smooth without Mrs. Patricia!
