### LETTER FROM MS. EMILY

Dear Parents,  
LOVE is in the air at Anothén and so is the cold weather! I am so excited about all the Valentine's activities we have planned. This month's fruit of the spirit is love, which goes perfectly with Valentine's fun!

The teachers and I strive to show our students how to LOVE God and others each day. We also tell them how much God LOVES them.

Thank you for entrusting us with your little ones. We look forward to creating cherished memories each day this month. Even in this cold weather, all the classes are finding fun and creative ways to teach, create, play, and love on the kids at Anothén!

Warm regards,  
Emily Lyons

### TEACHER/ASSISTANT OF THE MONTH

Our School Support Committee helps us celebrate one teacher and one assistant each month by providing lunch.

Mrs. Angie is our Cubs class (3's) teacher and she always has ideas to make our school a better place! She is always willing to help out her team and she loves her students so well, often coming up with fun games and songs to add to the fun of the day!

Ms. Abby, our cubs assistant, is a calm presence in Mrs. Angie's class, assisting not just Ms. Angie, but the whole school whenever needed. She is always willing to step into another role to help school run smoothly!

24-25 REGISTRATION (FEW SPOTS AVAILABLE!)

We want to make sure you are thinking of next year! We have very few spots left.

Know anyone who may be interested in an Elementary School that can be done full time or alongside homeschooling? Contact us today!
