### LETTER FROM MS. EMILY

We welcome Spring with open arms!

This is the time of year at Anothen when we learn to dress in layers! In these days, we experience winter and summer all in one day! I usually enjoy this weather, but please ensure that your child has a jacket (labeled with their name) here at school!

March is filled with so many fun school events! I am so excited for everything we have coming up. Please make sure you keep our calendar handy! We have finally rescheduled our Fishing Day! I can't wait to see parents and kids getting to catch our "well trained" fish on March 5th and 6th! Children must have an adult with them to fish!

Finally, We have Spring Break (March 11-14th) and March 29th off from school for Spring Break and the Easter holiday. It's going to be a busy month for sure!

### ASSISTANTS OF THE MONTH

Our School Support Committee helps us celebrate teachers and assistants assistant each month by providing lunch.

Ms. Ebony is someone everyone should be friends with. She is an encourager to her peers and students and she is extremely dedicated to the students. Ebony always has an upbeat personality that makes her a joy to work with.

Ms. Lili is the counterpart to Ebony. If there is ever a job that has been missed, you can be sure that Lili will take care of it without being asked. She loves the Foxes class and leads them in silly games. She makes the class fun for everyone.
